

Multi Purpose

Light Duty

The reference for tactility, dexterity and flexibility

- Almost a second skin, this very thin glove offers outstanding comfort, fit and sensitivity for the most delicate handling
- Designed for a wide range of lightweight applications in dry or slightly oily environments, it is ideal for workers who need a higher level of fit, touch and precision than that offered by their current gloves

Industries

- Automotive
- Machinery and Equipment
- Metal fabrication

Applications

- Picking, fastening components
- Assembling and mounting components
- Fastening components, parts

Key Features

- Ansell's thinnest glove for most delicate handling
- Light duty 18 gauge liner offers outstanding tactility and dexterity
- Extra-thin 0.8mm polyurethane coating provides high dexterity with high abrasion resistance
- Dark liner and glove mask dirt and reduce glove waste
- Also available in vend pack

Sensitisers

- Natural rubber proteins

Only a very small number of users may be sensitised to this ingredient in the glove and hence may develop irritant and/or allergic contact reactions.
