

Cold

Medium Duty

## Excellent insulation and comfortable handling in cold conditions

- Ansell's ActivArmr 80-400 glove is a general purpose glove designed to provide outstanding insulation from cold conditions and high levels of comfort and grip
- This glove combines a thermal terry loop acrylic liner with a naturally insulating latex coating, ensuring excellent insulation against the cold. The glove provides comfort and protection for the wearer in temperatures as low as -15°C/5°F (extended contact) and -30°C/-22 °F (intermittent or short contact)
- With a bright yellow terry loop acrylic liner, the ActivArmr 80-400 glove offers extra high-visibility in low or poor light conditions. This extra visibility brings additional safety for external workers when it's getting dark

### Industries

- Construction
- Forestry

### Applications

- Shipping and loading of product
- Construction
- Outdoor Winter Use

### Key Features

- High visibility with seamless yellow thermal terry liner
- Bright blue crinkled palm provides added wet and dry grip
- Insulated glove for use in cold temperatures
- Ergonomic design for superior fit, comfort, flexibility and dexterity
- Also offers protection when handling hot parts up to 250°C / 480°F for 15 seconds

### Performance Standards & Regulatory Compliance

### REACH Compliant
