TRANSPORTATION TECHNOLOGIES, REIMAGINED™

**DO YOU
CURRENTLY
HAVE TRAILER
OR CHASSIS
TRACKING?**

NO

EZTrac™

EZTrac™ PLUS

With EZTrac™ products, you can:

- ✓ Reduce unpaid miles (empty miles) by knowing the exact location of your assets
- ✓ Reduce time searching for assets
- ✓ Boost driver productivity and lower operating costs

YES

WORTHWHILE INVESTMENT?

**Q. Is your current tracking system reliable?
Is it expensive?**

A. With EZTrac™ products, for the cost of the device and \$10 per month you can have:

- ✓ Complete visibility into your fleet
- ✓ Proven hardware
- ✓ Extremely user-friendly dashboard/user experience

OPERATING/MAINTENANCE COSTS

Do you implement procedures to reduce vehicle operating/maintenance costs? If so...

VS

Q. Do you schedule PM routines based on time frames?

A. With EZTrac™ products, you can use accurate mileage readings to schedule PMs.

Q. Are you interested in saving money on fuel?

A. With EZTrac™ products, you can reduce the amount of fuel consumed by knowing exactly where your assets are at all times.

LOSS RECOVERY

Q. How do you recover a lost or potentially stolen vehicle?

A. With EZTrac™ products, you can locate missing equipment immediately.
