A Clariance Technologies Company

# Heated Super 44® and Model 60® Stop/Turn/Tail and Combo Lights

## FEATURES & BENEFITS

- Signature Truck-Lite styling and durability – now with a heating element to prevent ice and snow buildup in even the most severe winter weather
- Fits into standard connections
- Same light pattern and output as existing Truck-Lite lamps
- Available with flange or grommet mount
- Complies with FMVSS 108
- Single S/T/T & BU lamp fulfills legal back-up requirements
- Self-regulating heater; heats consistently and adjusts output as temperature drops
- 5-year warranty

## TECHNICAL SPECIFICATIONS

### MATERIAL

- Polycarbonate lens and housing

### LIGHT SOURCE

- 6 LEDs (STT only)
- 8 LEDs (STT & BU)
- Designed at 12.8 V (with heater on):
  - Tail: 0.55A – 0.65A
  - Stop: 0.6A – 0.8A
  - Back-up: 0.75A – 1.0A

## PART NUMBERS

Part No.	Description
44602R	6 Diode STT, Gray Grommet, Int. Plug, 3-Pin
44622R	6 Diode STT, Gray Flange, Int. Plug, 3-Pin
44605R	8 Diode STTBU, Gray Grommet, Int. Plug, 3-Pin
44625R	8 Diode STTBU, Gray Flange, Int. Plug, 4-Pin
44610R	8 Diode STTBU, Black Flange, Hardwired 4-Pin Connector

Part No.	Description
60602R	6 Diode STT, Black Grommet, Int. Plug, 3-Pin
60622R	6 Diode STT, Gray Flange, Int. Plug, 3-Pin
60610R	8 Diode STTBU, Gray Grommet, Hardwired 4-Pin Connector
60630R	8 Diode STTBU, Gray Flange, Hardwired, 4-Pin Connector
