Traction Chains

Made in USA & Austria

pewag Studded Chains Designed for Aggressive Off-Road Terrain

Single

Triples

Steer Chain

Zig Zag

Premium Materials

Made of premium high-grade alloy steel

Unique 8 Sided Design

Increases stud surface area by 23%

Superior Penetrating Traction

Gets through the most extreme conditions

Advanced Engineering

For the most aggressive off-road applications

Superior Penetrating Traction

Gets through the most extreme conditions

Longer Lasting!

Improved up time, cost less per kilometer, lower operating costs

pewag Square Link Chains Designed for Over the Road Use

Single

Triples

Steer Chain

Zig Zag

Reduce & Increase

Starwave® profile reduces weight and increases the hardened surface by 7%

Better Wear & Longer Life

Reversible design increases lifespan to reduce downtime and cost per kilometer

More Grip!

Improves traction with additional edges providing more grip to dig into the ground

Better Traction

Works like paddles in mud conditions

Premium Steel

Premium alloy **TITAN Grip**® steel for extended wear and strength

Lasts Up to 8X Longer!

Compared to commodity v-bar

Oversized Components

Stands up to off-road conditions
