

CLAMPLESS TENDER KITS

TECTRAN'S Clampless Tender Kit program provides for the ultimate level of flexibility in order to mix and match tender kits and clamps to create a perfect combination ideally suited for each customer's application needs.

- Single & dual spring models available in 16" or 25" lengths
- Heavy duty springs and protective sleeves extend life cycle
- Large, corrosion resistant snap clip included on all models
- Plated hardware that resists the effects of weather extremes
- A wide range of TECTRAN clamping options available to complement merchandising activities (see other side)

Part No. 9420-1-NC
Stk. Code 23065

Part No. 9421-1-NC
Stk. Code 47335

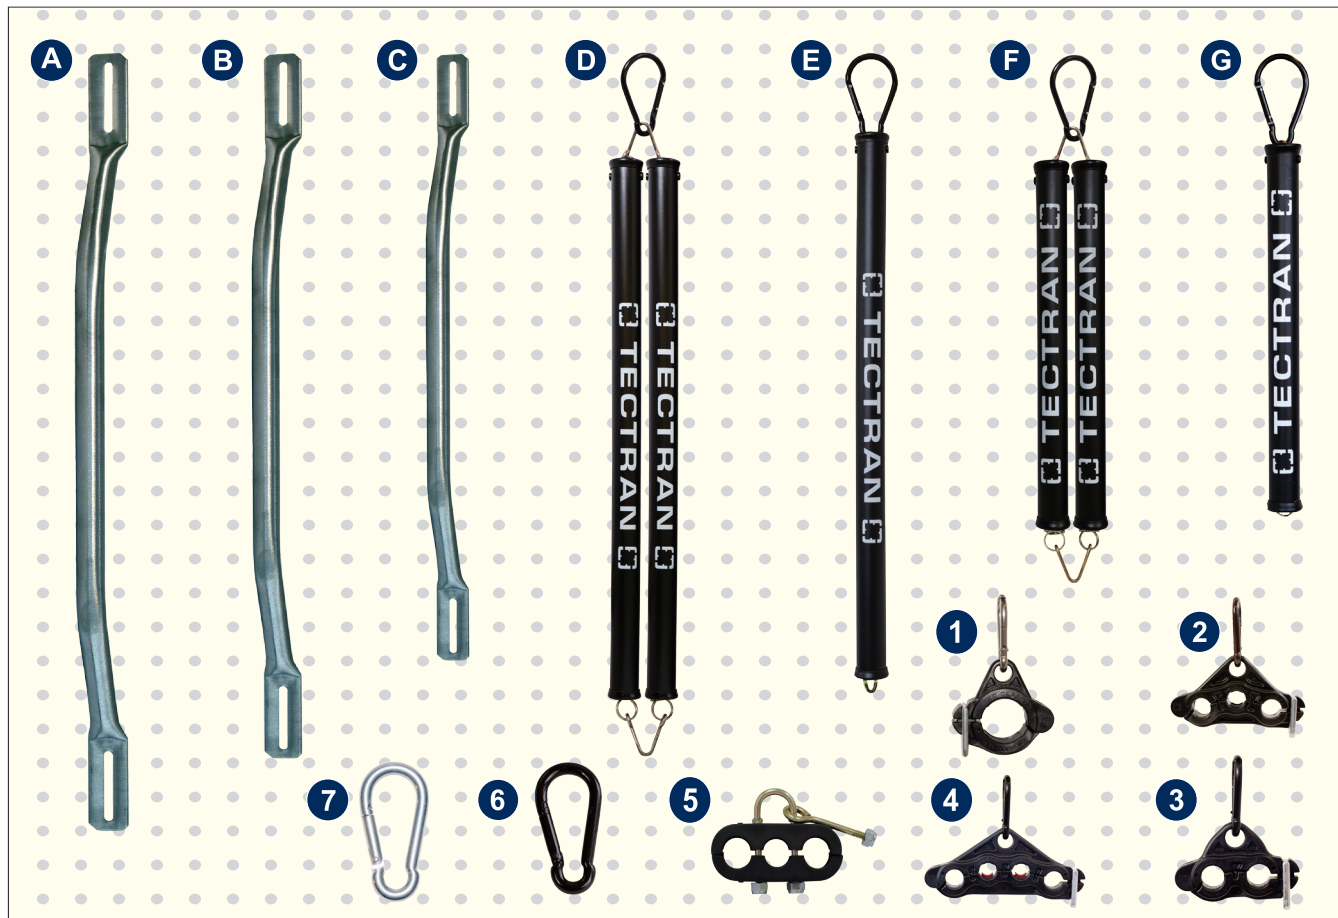

Part No. 9420-2-NC
Stk. Code 23063

Part No. 9421-2-NC
Stk. Code 47336
