

TRI-SEP

3-Hose Separator For Straight Lines

SEPARATES • ORGANIZES • PROTECTS

- For back-of-cab or underneath the trailer
- Prevents damage from cable ties
- Organizes cables and prevents tangles
- Bundles cables together while keeping them isolated
- Soft rubber body for flexible installation
- Groove keeps secured cable ties in place around the Tri-Sep
- Installs and adjusts in seconds for quick setup
- Save maintenance costs with easy line replacement
- Yellow for high visibility
- UV, weather, and chemical resistance for longevity

Part No. 17-174

Tri-Sep 3-Hose Separator for Straight Lines

What's Included

- 3 - Tri-Seps
- 3 - 11" cable ties
- Plus 1 extra

BREAK THE TIES HOLDING YOU HOSTAGE TO CABLE DAMAGE!

Cable ties are constricting, especially when hoses expand during use. Constriction creates damage, which leads to poor performance and CSA violations.

The Tri-Sep creates a buffer and protects cables during secure installation of cable ties.
