Xperion 6000 Headlamp

Dual mode LED headlamp

The Headlamp headband-mounted work light puts brilliant LED illumination right on the task at hand. Powered by state-of-the-art Xperion LED chips, the Headlamp features two light sources. Across the front of the headband, an LED light strip provides a broad beam of light of up to 300 Lumens in Boost mode and up to 150 Lumens in Eco mode. A spotlight mounted on the side of the headband provides a narrow, intense beam of up to 120 Lumens. The handsfree motion detection feature allows you to turn on and off the light without touching it. The Headlamp is resistant to solvents and is rated IK07/IP65 against impacts and dust and water intrusion.

Retail : \$49.99

Boost light	300 Lumens	Up to 2.5 h

LED Headlamp with multiple modes

Motion detector mode for hands-free working

Comfortable headband design with a wide beam angle

Long operating time in different light modes

Fully charged within 2.5 hours via USB-C

Resistant to impacts, water, and solvents

Xperion 6000 Accessories

Multi Dock Station

Docking station for charging multiple devices

The Philips Multi Dock Station is an accessory for the Xperion 6000 LED work lights. Placed on a table, it can charge two devices at a time or simply act as a storage point.

- LED indicator to show charging status
- Dedicated spaces for the Find My Device remote control
- Compatible with Philips Xperion 6000 UV Pillar, Pillar, Pocket, Slim and Flood Mini models

Retail : \$59.99

Find My Device

A handy way to find misplaced devices

Retail : \$29.99

With the Philips Find My Device accessory, you can trigger an audible buzzer and a flashing light, to find most lost Philips Xperion 6000 devices. It works up to 32 feet.

- Find My Device is sold separately for UV Pillar, Pillar, Slim, and Flood Mini models
- Insert the plug-and-play chip into the work light's body
- Use the Find My Device to locate your misplaced Philips Xperion UV Pillar, Pillar, Slim, and Flood Mini work lights
- Carry the remote control on your key chain or place it in the Philips Multi Dock Station
