# STANDARD CUMMINS-MERITOR AFTERMARKET WARRANTY

We warrant all new parts for one year from date of shipment to the buyer against defective material or workmanship (but not against damage caused by accident, abuse or improper installation, maintenance or repair) when such parts are used on vehicles the specifications of which have been approved by our Engineering Department. As the exclusive remedy under this warranty, we will, at our option, repair or replace such parts free of charge, or take back the nonconforming parts and refund the monies paid by buyer for such parts, if found on examination by us to be nonconforming and if any necessary return charges are prepaid.

If it is necessary to return any parts under this warranty, the buyer agrees not to make any deduction on account thereof from remittances on current accounts while claims are in the process of disposition. Any expense incurred without our consent for repairs or replacement will not be allowed.

THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE. IN NO EVENT SHALL THE SELLER BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY NATURE.

Only Cummins-Meritor aftermarket products, including genuine Meritor and affiliated brands, are covered by this aftermarket parts warranty.

## AIR BRAKES

### Automatic Slack Adjusters

As a leading North American supplier of braking systems, Cummins-Meritor understands the intricate relationship between Automatic Slack Adjusters (ASAs) and foundation brakes. ## OFF-HIGHWAY AND DEFENSE

Cummins-Meritor offers 12 months of parts-only coverage for off-highway and defense products.

## MERITOR® TIRE INFLATION SYSTEM (MTIS™)

Successful fleets use smart technology to help minimize operating costs, which is why MTIS is specified on nearly one of every three trailers built today. MTIS harnesses a trailer's existing air supply to keep tires fully inflated when the vehicle is in operation, helping to save money and adding profit to a fleet's bottom line.

Product	Years	Mileage
Meritor® Tire Inflation System (MTIS™) Retrofit Kits	3	500,000

## SHOCK ABSORBERS

Cummins-Meritor heavy-duty shock absorbers feature class-leading technology along with unsurpassed service and support. They are designed, engineered and manufactured to meet the needs of today's fleet customers. A complete range, including premium heavy-duty adjustable shocks, standard heavy-duty shocks and heavy-duty cab shocks, covers Class 6–8 vehicles.

Product	Years	Mileage

## WHEEL SEALS

A leading cause of premature wheel seal failure is damage to the seal during installation. Meritor® wheel seals not only provide outstanding lubricant retention and protection against contaminants, they are also designed to be easy to install in order to significantly reduce the potential for damage during installation. Designed for drive, steer and trailer axles, Meritor® wheel seals are available in standard and premium versions.

Product	Years	Mileage
Premium	2	300,000
Standard	1	150,000
