

Dear Pastor,

Since 2012, Color Craft has been LifeWay's endorsed provider of church directories. Color Craft makes it easy for you and your members by setting up all the photography appointments and reminders—or members can make their appointments online.

Your members will be photographed by a professional photographer and will choose the photo for inclusion in the directory. The directory will feature retouched photos and be absolutely free for the church and members. Members will also receive a free 8" x 10" or 10" x 13" portrait and have the opportunity to purchase additional pictures—and family photos make great gifts for extended family.

Color Craft serves churches big and small, and they make it fast and easy for your members. Additionally, Color Craft supports ministries around the world and Christian education opportunities.

To learn more about LifeWay's ONESource program and to get started on your church's new directory, call us at 1-800-464-2799 or visit LifeWay.com/directories.
