

**BIBLE
STUDIES
FOR LIFE.**

*Is there a God?
Aren't all religions the same?
Is Jesus God?*

Get the answers.

Many Christians consider apologetics (the study and practice of defending the faith) a discipline reserved for people in academic circles, but all followers of Christ should carefully consider why they believe what they believe.

In a culture that says all beliefs are equally valid, it's critical that we recognize the dangerous delusion of that idea and equip ourselves to speak with confidence about biblical truth.
