

# Fellowship Cup Premium FAQs

## **What is the difference between the Fellowship Cup and the new and improved Fellowship Cup Premium?**

The Fellowship Cup Premium offers the same quality and convenience as the original Fellowship Cup, with the added benefit of an improved design. With dual tabs for an easier experience of opening the bread and the juice, the Fellowship Cup Premium helps foster a more reverent atmosphere during Communion with less noise and a simplified experience for this sacred practice.

## **What are the benefits of using the new design of the Fellowship Cup Premium?**

The Fellowship Cup Premium's easy opening eliminates distractions during the Lord's Supper. The dual tabs create an improved experience for those partaking in Communion. The Fellowship Cup Premium is much easier to open.

## **How does The Fellowship Cup and Fellowship Cup Premium help churches with Communion?**

The Fellowship Cup Premium and Fellowship Cup are both safe, sanitary, and convenient products that require less preparation and clean-up time vs. the traditional method of serving Communion. They also fit in most Communion trays.

## **Who can use the Fellowship Cup Premium?**

Anyone wanting to offer the Lord's Supper to their church.

## **When will the Fellowship Cup Premium be available for purchase?**

July 1, 2023.

## **Where can I purchase the Fellowship Cup Premium?**

At [lifeway.com](https://www.lifeway.com) or via your favorite trade dealer (amazon.com, independent bookstores, or wholesalers).

## **How many cups are in each pack?**

We offer the Fellowship Cup Premium in a six-pack (for hospital or in-home visits), as well as 100-count, 250-count, and 500-count boxes.

## **How long can I store these, and do they need to be refrigerated?**

They have a one-year shelf life and require no refrigeration. If refrigerated, it helps regulate the temperature which keeps the juice even fresher.
