

LIFEWAY GIRLS CONFERENCE

DALLAS

BREAKOUTS

Each breakout is designed to fit inside four specific categories to give you an overall picture of what it looks like to live an Unshaken life in a variety of ways. Each girl will participate in all four breakout sessions throughout the weekend.

FOUNDATIONS

WHAT KIND OF FOUNDATION DO YOU USE?

Just like a house, building, or even your old LEGO Friends treehouse set, it needs a solid foundation. You can't build a structure without the right support holding it up. Very similar to our faith in Jesus Christ. If we build it on a solid rock, it will stand and nothing can bring it down. Although, if we are foolish and build it on sand, it will crumble at the smallest gust of wind. So who are you? The wise, or the foolish? Let's study Matthew 7 and define who we want to be!

CREATIVE

CULTIVATING CREATIVITY

All of us have the ability to create because we've been made in the image of God, our Creator. In our worship of God, in our ministry to others, and in our everyday lives there are a million different ways we can flex our unique creativity for the glory of God and the good of His Kingdom. However, in order to reach our creative potential, we have to be closely connected to the Source of all creativity. Whether you consider yourself creative or not, all of us can cultivate creativity by identifying the specific things in our lives that inspire it.

INFLUENCE

YOUR THOUGHTS MATTER

Our minds are our greatest asset, but they can be a huge enemy to our spiritual walk. What we think in private about Jesus and who He is will affect our relationship with Him as well as how we can influence with others. Let's learn how we can use our minds and a proper placement of God to influence those around us.

MISSION

THE UNSHAKABLE YES

God has a special mission for your life. A mission to love the world, help those in need, and lead people to Jesus. Will you choose to say "yes?"

LEADERS ONLY

Whether you're a full-time girls minister, volunteer, or a mom who wants to know how to walk alongside her daughter during these critical years, we have something just for you. These Q&A sessions were designed to allow you time to connect with and learn from others who are involved in the world of ministry to teenage girls!
