The kingdom agenda is the visible demonstration of the comprehensive <u>rule</u> of <u>God</u> over every area of life.

God created man to demonstrate His greater <u>glory</u> and to advance His <u>kingdom</u> in history.

God has a kingdom but only if He is <u>King</u>.

Worldliness is <u>rebellion</u> against kingdomness.

God wants us in the world, but He doesn't want the world in <u>us</u>.

The world is the system headed by Satan that wants to leave <u>God</u> out.

The reason God's kingdom is not fixing what's wrong in our world is that the folks who want God to fix it are simultaneously <u>worldly</u>.

If you belong to Jesus Christ, this world is not your <u>home</u>.

The truth is the absolute <u>standard</u> by which reality is measured.

God does not leave His kingdom to satisfy our <u>needs</u> in this world. He invites us from this world into His kingdom.

If you want your life and our world on target, then God must be recognized as the comprehensive <u>Ruler</u> of this kingdom.

Unless God is free to call the shots, the <u>transformation</u> we need in our lives will not happen.

God created you for His <u>kingdom</u>.

God has given you a <u>calling</u>—a divinely ordained mission in life.

David served the <u>purpose</u> of God (see Acts 13:36).

People are living for <u>themselves</u> and missing the purpose of God for which God's kingdom has both redeemed and called them.

The calling or purpose God has designated for you becomes an <u>attraction</u> to draw others into the kingdom.

When you discover that God has a <u>purpose</u> for you in His kingdom, it changes everything.

David impacted his \_\_generation\_\_ (see Acts 13:36).

You've been called for a purpose: the <u>glory</u> of God through the expansion of His kingdom while it impacts <u>others</u>.

### **Finding Your Calling**

1. Your purpose will always involve your <u>passion</u>.

- 2. Your calling involves your <u>abilities</u>.
- 3. Your calling involves your <u>experiences</u>.
- 4. God creates <u>opportunities</u>.

David fell \_\_asleep \_\_(see Acts 13:36).

If you are not living for the purpose, you're missing the <u>kingdom</u>. And if you're missing the kingdom, you will not see all that the King has provided for you.

Nothing is more important to God's kingdom agenda than saving, preserving, and properly defining the <u>family</u>.

The key to the definition of the family is to understand that the family was created for the <u>kingdom</u>.

God created the family to mirror His image as they exercise <u>dominion</u> – rulership—on His behalf.

God gave each part of the family their roles so that they would be <u>aligned</u> under His rule.

Satan wants to remove dominion by messing up <u>roles</u> so that the family is destroyed.

Your <u>calling</u> trumps your sexuality.

Elohim refers to God's <u>power</u> (see Gen. 1). LORD (Jehovah) refers to God's <u>relational</u> control or management (see Gen. 2).

God said He is not only the God of power but also the God of <u>instruction</u>.

Whoever owns the family owns the <u>future</u>.

At the heart of the definition of the expansion of the kingdom of God is the stability of the <u>family</u>.

Satan gets <u>men</u> out of alignment with God, <u>women</u> out of alignment with their husbands and therefore out of alignment with God.

If we are going to save our nation, we'd better save our <u>families</u>.

God has handed His people a Book called the <u>Bible</u>, and all of the decisions made on the field of life are to be based on what's written in the Book.

The *ekklesia* in the Greek world was a legislative body that had <u>legal</u> <u>authority</u> to act on behalf of the general population.

The church is a legislative body that has the specific task of legislating on earth from <u>heaven</u>.

The church is supposed to be an <u>offensive</u> agency, not a defensive agency.

Because we have watered down the meaning of church to be simply spiritual inspiration, we do not demonstrate the power and glory of the church's <u>Head</u> in history.

Jesus wants to demonstrate, as the Head of the church, the <u>authority</u> He has given His people to act on His behalf as His body in history.

The church does not exist for the church. The church exists for the kingdom.

We are to get the keys from the kingdom and use them on <u>earth</u>.

Binding and loosing mean <u>permitting</u> and <u>restricting</u>. The two together mean authority.

The reason we're not experiencing more authority as God's people in history is that we're not using the authority designated from the <u>kingdom</u>.

It is incumbent now that the church takes the lead in impacting the <u>society</u>.

Government was created by <u>God</u>.

If God is your problem, only God is your <u>solution</u>.

The closer God is to a society, the more <u>ordered</u> the society will be. The further God is, the more <u>chaotic</u> society will be.

God intended men under His government to live in <u>freedom</u>.

When you do not allow God to be God, men will seek their authority from another source and put men in <u>bondage</u>.

God says to government, "If you operate under My covenant, you get the benefits of My \_\_presence \_."

The goal of civil government is to maintain a safe, just, and righteous environment for <u>freedom</u> to flourish.

God will allow a culture to <u>leave</u> Him until it learns its lesson that it can't live without Him.

Government was never supposed to operate independently of <u>God</u>.

When you have the right <u>principles</u> and when you apply those principles, government is reflecting or mirroring God.

Servants of the people are supposed to be <u>ministers</u> of God.

High taxation means big government. Freedom allows for <u>low</u> taxation.

A blessing is the favor of God <u>to</u> you that also flows <u>through</u> you.

The key to your personal life's success is <u>fearing</u> <u>God</u>.

Fearing God means to take God <u>seriously</u>.

Taking God seriously means you function in light of His \_\_\_\_\_\_ presence \_\_\_\_.

God responds to <u>motion</u>, not merely pronouncements.

When you fear God, it doesn't show up first at church; it shows up first <u>at</u> <u>home</u>.

The reason marriages break down is one or both parties have stopped <u>fearing</u> God.

Reverence brings God's <u>involvement</u> miraculously in your home.

We have a generation of young people today who have no <u>roots</u> because they have no family.

Children's consciences must be <u>\_\_\_\_\_</u>, and that job has been given to parents.

The reason God wants you to be a vital, visual part of a local church is so that the family of God benefits from <u>you</u> and you benefit from the <u>family</u> of God.

God wants to know after you've gone out into the world, what <u>difference</u> are you going to make?

It ought to be clear that you stand as a representative of the kingdom of God in the public place appropriately, wisely, but <u>clearly</u>.

The kingdom agenda starts with you individually, moves to the family, moves to the church, and bursts out into the <u>society</u>.
