

# Dress the Mummy

Select someone to determine the best decorated mummy. Divide the group into teams of five members. Or you can select two or three groups of five women. Each team is to receive two rolls of toilet paper and the instructions to pick one of their number to be the mummy. They will have three minutes to dress their mummy. Then call time and ask for the judge's decision. After the game, re-roll the toilet paper for use during the retreat.

# I've Never

Divide the group into subgroups of 6-10. Give each participant 12 beans. In turn, each member names something she has never done. Each person who has done that must give the questioner one bean. The goal is to name something she has never done but that many of the group have done. After a few minutes, call time. Whoever has the most beans in each group wins.
