

# Made Worthy

Discover Your Significance  
through Stories of Faith

We all want to be worthy of something or someone. To feel we have value or to finally be good enough. Yet we are continually faced with the reality that we will never measure up. Because there is only One who is worthy, and His name is Jesus. Yet through His great love, He has made a way for you to be worthy, to find your worth in His love and to rest in His work on the cross rather than your good works here on earth. In this five-session Bible study, Mary Margaret West teaches teen girls what it means to be made worthy of Christ as she examines the lives of people in the Bible whom God called worthy because of their faith.

## Five Sessions:

- **Week 1:** Who Is Worthy?
- **Week 2:** What Has God Promised?
- **Week 3:** Walk Worthy
- **Week 4:** Unworthy
- **Week 5:** It Will All Be Worth It
