

CHURCH INTERIORS INC.

DESIGN | BUILD | FURNISH

SERVICES & PRODUCTS

ABOUT US

Since 1981, Church Interiors, Inc. has performed over 12,000 renovations and remodeling projects. We have renovated small chapels that seat less than 100 people to large sanctuaries & cathedrals that seat over 5,000, including many churches on the Historical Registry. Church Interiors, Inc. has a Nationwide Dealer Network of project consultants and installers that are eager to help make improvements to your church.

Our goal is exactly the same as your renovation committee, make your church or sanctuary as beautiful as it can possibly be at the lowest possible cost with little or no disruption to your church services.

RENOVATIONS

With nearly 40 years of exclusively performing church renovations, Church Interiors delivers successful projects within budget, on schedule, and at the highest quality of craftsmanship.

Our Traditional or Modern Renovations include appropriate design, finishes and products to last for decades to come.

SERVICES

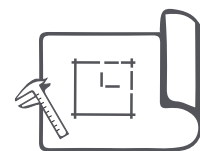

PROJECT CONSULTING

Our Project Consultants can assist with improvements to your church facilities through experience and training.

INTERIOR DESIGN

Our Interior Designers and Liturgical Designers work with churches exclusively and are sensitive to all styles of worship. Church Interior Designers create an energy in traditional, modern or blended worship spaces for a timeless experience.

DESIGN & CONSTRUCTION

As a church design-build general contractor, Church Interiors can assist with planning as a turnkey entity. Our experience and training give us the tools to help you plan for the future, today.

RENDERINGS

Our 4K Resolution Renderings create excitement with a preview of your future project.

SEATING

ON-SITE PEW UPHOLSTERY

SEAT & BACK
UPHOLSTERY

TRAINED
CRAFTSMEN

HIGH QUALITY
FABRIC & FOAM

- On-site work will not interrupt church services.
- High density foam custom fit to each pew.
- Available 'Super Fabrics' resist liquids, soiling, damaging UV rays and wrinkling.

PEW REFINISHING

ON SITE OR OFF SITE

- Refinishing the original furniture preserves the historical integrity of the sanctuary.
- Pew refinishing cost less than new pews of the same quality.
- Completely restored pews are disassembled and transported to refinishing facility.

NEW PEWS

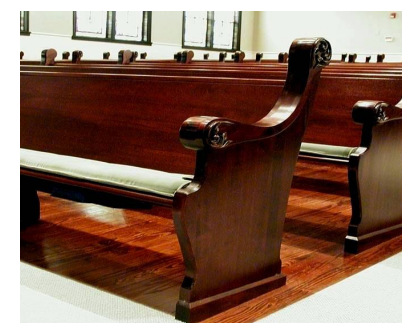

- Church Interiors is the Manufacturer's Rep of 4th Generation, Rugel Church Furnishings, a leader of solid wood crafted pews.
- 2" - 2 1/4" solid oak or hardwood ends.
- Solid oak or hardwood supports, book racks and seat frame.
- Durable Stain and Paint Finishes.
- High Density foam and soil resistant fabrics.
- 25 Year Warranty.

CUSTOM & REPLICATED PEWS

- Church Interiors can duplicate your existing pews using the same species of wood to match pew ends and pew bodies. Matching the existing pews for a church addition is both cost effective and maintains the traditional integrity of the sanctuary.

WOOD CHAIRS

- Plybent construction frame for strength and stacking.
- Resilient fabric, foam and stained finish.
- Straight or Radius gangers available.
- Rear mounted and under seat book racks available.

METAL CHAIRS

- Light weight molded plastic core.
- Steel frame construction for strength and stacking.
- Resilient fabric, foam and steel frame.
- Straight or Radius gangers available.
- Rear mounted and under seat book racks available.
