

# EVERYDAY THEOLOGY

For Teens

---

WHAT YOU BELIEVE MATTERS

---

Theology is the study of God, what He has done, is doing, and will do in the world. And it's not just for older Christians with fancy degrees or the pastors at your church. It's for you in your everyday moments, questions, and decisions. Your theology is the basis of your faith and impacts every part of your life. In this nine-session study by Mary Wiley, explore eight essential doctrines: Scripture, God, Jesus, the Holy Spirit, humanity, salvation, the church, and the end times. And as you unpack these foundational truths, may you know and love God more deeply.
