FINDING YOUR STORY IN GOD'S STORY

MIKE AND DANIEL BLACKABY

THE ADVENTURE OF A LIFETIME

The story of your life is unfolding right before you. Some days you might feel like a background extra and other days the main character. Ultimately, your life is part of a bigger story—one that God has been telling since the beginning of time. Yes, your life is part of the same story that includes Moses, David, Mary, and Paul. And God wants to take you on an adventure only He could dream up. Your role is to trust Him and follow where He leads. The journey is long and in some places scary, but He is with you. The only question that remains: Will you join Him? Adventure awaits. Now is the time. Let's see what God has in store for you!
