

# GRACE CULTURE

TRANSFORMED BY THE LOVE OF JESUS

D.A. HORTON

A NOTE TO PARENTS:

## WHAT KIND OF CULTURE DO YOU WANT TO LIVE IN?

Our world needs a culture change—not one where we cancel ourselves and others, but one filled with grace. God’s grace transforms lives, and we can help create a culture that doesn’t cancel people when they stumble but provides opportunities for restoration. God never gives up on us. His wants us to be restored and fruitful for the gospel. This is the heart of grace culture—to be agents of Jesus’s transforming love to a hurting world.
