

FROM THE DESK OF DR. TONY EVANS

CLAIM YOUR DESTINY
KINGDOM
MAN

Dear Pastor,

I pray that as you read this you are gearing up for a transformative study for the men and families within your church. The key part of this study is that the message comes from you as a leader and kingdom man representative within the church. The church will hear through you the words, principles and direction that scripture has presented the Christian family. And it is through the Word of God and the words from your mouth that the Spirit will work in changing lives, transforming families, restoring churches, and building communities.

To that end, I have provided a series of sermon ideas, introductions, and video packages in order to best equip you to administer the teachings contained in this Kingdom Man Campaign Guide. I have detailed the suggested passages, applications, and content to ensure that the cry for kingdom men is heard within your fellowship.

I am excited about putting this material in the hands of people that can use it to spread the message for Christian men, husbands and fathers in today's society. I don't expect you to preach this message verbatim, but I do pray that you will receive each message with a prayerful attitude toward its' purpose and function within our churches.

I have also included some graphics, presentation, and marketing assistance along with this packet in order to provide you with the administrative support base to do this well. Additionally you will receive the Kingdom Man Member Guide along with the study to lead the church through discussion and small group analysis alongside the series.

I hope and pray that you receive this well. And it is my hope that the cry for kingdom men doesn't end here, but that it continues on into your homes, community, state, nation and the world.

Pastor, I'm praying for you. I hope this helps to claim the destiny of kingdom men within your congregation.
