

HOPE IS AT THE HEART OF EVERY JOURNEY

The gospel shows us that we are not only seen as righteous before God, but we are also adopted into a forever family and loved by Him. This five-session Bible study is based on the film *LIFEMARK*, which tells the story of David, whose comfortable world is turned upside down when his birth mother unexpectedly reaches out to him. The film itself is based on an incredible true story that celebrates adoption, reconciliation, and love. The study includes movie clips and video teaching from its star Kirk Cameron.
