

PICTORIAL DIRECTORIES

Color Craft Studios offers the highest quality portraits and church directories in the business. Your directory is completely customized and printed on a high-quality digital press by Color Craft. And your directories are always FREE.

With today's technology, using cell phones and digital photography have made capturing images a quick and easy process. However, nothing can take the place of high quality printed photographs. Color Craft provides photography and portrait viewing that is fast and convenient. You will view finished portraits that are printed and ready to take home. And each appointment only takes approximately 15 minutes. Reorders are also available to share with extended family and friends.
