

# REVIVAL GENERATION

Shane Pruitt

## HEY PARENTS!

We are so excited that you have decided to lead your teen through this book! I know that you are keenly aware of the need for revival in our students' lives. This book is all about helping teens know what revival is, what it is not, and how to prepare their hearts to be ready if God decides to bring revival again.

Helping your child have a heart prepared for God to move is the most important role you have as a parent. This book will help you with this important task. You don't have to be a master teacher or an expert to lead your student through this book—just be willing to have discussions with him or her and turn to God's Word for the answers. It would also be counterproductive for you to help your child open his or her heart to God, if you are not willing to let Him have the same effect in your own heart. Can you imagine how amazing it would be if God fanned the flame of revival again? Imagine if it started in your home!

## FOR THIS STUDY YOU WILL NEED:

---

- *Revival Generation* Bible study book for yourself
- *Revival Generation* Bible study book for your teen(s)
- *Revival Generation* video sessions (available through the Lifeway On Demand app or at [lifeway.com/revivalgeneration](http://lifeway.com/revivalgeneration) [see instructions on page 7])

## HOW TO UTILIZE YOUR MATERIALS TOGETHER:

---

### NOTICE

You can find tips for how to use this study on page 6 of the *Revival Generation* Bible study book. These tips will be helpful not only for you as you lead but also for your teen as he or she participates in the study. This is a weekly Bible study that has eight sessions. It also has a four days of personal study to complete throughout the week. The Leader Guide beginning on page 132 will also be a helpful tool as you lead your teen each week.

### WATCH

Watch the eight weekly videos with your teen. These videos are intended to speak directly to your teen and the station of life he or she is currently in. As you know, no two teens are alike; steer your conversation to where your teen is in his or her walk with the Lord. Trust God and listen for His voice. He will give you discernment as you lead through the study.

## STUDY

*Don't forget to pray!*

As you work through your *Revival Generation* book, we encourage you to discuss what the Lord is teaching you personally. You'll be most productive in leading if you complete each day of study. Gently encourage your teen to stay on track and push yourself to do the same. We realize your lives are busy and many teens are stretched too thin, but this book will be most effective when students work through it one day at a time, rather than cramming multiple days together just to get it done.

## CONNECT

- **Set aside time each day to work through the book and keep each other accountable.**
- **Be open with your teen throughout the week about the things you are learning or have questions about.** Provide a safe place for him or her to do the same.
- **Don't stress! Make a plan and follow through.** If you need to go at your own pace, that's fine. Just don't give up if the road gets rough. The destination is worth the journey!
