Experiencing Life & Freedom in Christ

A NOTE TO PARENTS:

ARE YOU STILL WRAPPED IN GRAVE CLOTHES?

Many Christians today are like Lazarus—they've been called to life by Jesus but are still wrapped up in the things of the old life. This six-week study will help equip students to identify the grave clothes they are still wearing and learn how to take them off and experience life and freedom in Christ. You might be bound, but you don't have to be!
