

DuraVault

Vertical 31"D Legal File SPECIFICATIONS

800-558-1010

www.NBF.com

FIREPROOF INSULATION is 100% gypsum, reinforced by a 1" by 2" lattice made of 14-gauge galvanized welded steel wire, providing complete peace of mind from fire, impact, or explosion.

FIELD REPLACEABLE STEEL PANELS can easily be replaced in the event that any panel is damaged.

FINISH is an environmentally-friendly electrostatic powder coating applied to all sides, including bottom. The finish is scratch-resistant, providing a lifetime quality appearance. Standard colors available include: parchment, tan, taupe, brown, black, sand, champagne, platinum, and pewter.

DRAWER BODIES are built with high sides for use with hanging folders – no additional frames are needed.

DRAWER SUSPENSIONS are maintenance free.

DRAWER LOCKS are 4-pin key locks.

DRAWER PULLS are recessed for best space utilization.

INSULATION BETWEEN ALL DRAWERS makes each drawer a separate insulated container.

WATER RESISTANCE means files are designed to prevent water damage resulting from sprinklers and fire hoses.

2-POSITION DRAWER CATCH allows access to certain drawers while others remain locked.

DRAWER HEADS are formed of welded steel and filled with fireproof insulation, and are field replaceable.

UNDERWRITERS LABORATORIES® (UL®) FIRE & IMPACT RATING on all file cabinets. These models carry the 1-Hour Class 350 Fire with Impact UL label. Tests include 1 hour exterior fire exposure at 1700°F, a 2000°F explosion test, and a 30 foot drop to test impact integrity.

OPTIONAL UPGRADES are available to enhance your file's appearance or functionality.

Upgrades available include custom color finishes, standard lock options, casters, and interior options such as hanging folder frames, document inserts, trays, and inner drawers.

DURAVault's LIMITED LIFETIME WARRANTY on all mechanical or operable parts. Associated labor costs will be paid by our manufacturer for two years from the date of purchase. If your DuraVault file sustains any damage while protecting documents from a fire, our manufacturer will replace the file free of charge. DuraVault is manufactured under agreement with FireKing. For more details and warranty registration please visit www.fireking.com.
