

Capabilities Statement

National Business Furniture has decades of experience serving government customers.

Company Overview

For nearly 50 years, National Business Furniture has been helping to serve government customers. In fact, we process more than 20,000 government orders each year. Our furniture experts understand the complexities and intricate details that go into the government buying process. As one of the top retailers in the office furniture industry, we offer a comprehensive selection of GSA scheduled products, all backed by our unbeatable limited lifetime guarantee. From space planning, product selection, ordering and installation, we'll be there with you every step of the way, with furniture that works and people who care.
