

Queen Anne Base with Circular Top Assembly Instructions

Before attaching bases, please take appropriate precautions to protect the table top.

Components:

- 8 - Screws, #8 x 1-3/4" Phillips Pan Head

Applies to:

- 48" Circular Tops

- 1 With the tabletop upside down, center the base on the top.
- 2 Install the (8) screws in the smaller holes in the mounting plate of the base.
- 3 Now, you're ready to turn the table right side up, level the table with the adjustable glides.
