Height Adjustable Return Assembly Instructions

Components:

- 8 - Screws, #8 x 5/8" PPH
- 2 - L Bracket 2"

Applies to:

- STS Return Unit with Single Pedestal Desk
- STS Return Unit with Single Pedestal Credenza

1 Align the units in the desired configuration.

2 Attach the L brackets to the side of the return unit and the end of the desk. Space the bottom bracket 5" from the bottom of the unit. Space the top bracket 22" from the bottom of the unit. Use #8 x 5/8" screws to attach the brackets.
