What our customers think about the Contemporary Collection

Really like this desk ★★★★★ 5 out of 5

Very good quality for a laminate. Choice of two different drawer pulls. Solid construction, good locks. Very pleased.

Very satisfied ★★★★★ 5 out of 5

Nice finish (cherry), very easy to clean (it has a little grain in it so fingerprints do not show) and very sturdy. Drawers slide like a charm. I highly recommend this furniture.

We love it!! ★★★★★ 5 out of 5

We ordered this bookcase to match the reception desk we ordered for the waiting room of our busy law firm. We ordered everything in mahogany and it works and looks great, we are very happy!

Good buy! ★★★★★ 4 out of 5

This is the third desk from this series that our firm has. The delivery is fast and the set-up is easy. We have one desk that is six years old and it still looks like new.

Race to excellence ★★★★★ 5 out of 5

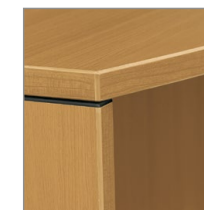

This table was picked due to the cost and overall appearance. It is a very well-made table that is easy to assemble and use. It was well-packaged and included some extra hardware in case you misplace some during assembly. The instructions are well laid out and easy to understand. The finish is excellent and it added a professional aspect to our crew chief room.
