

IMPORTANT SAFEGUARDS

When using electrical appliances, basic safety precautions should always

be followed, including the following:

READ ALL INSTRUCTIONS BEFORE USE

- To protect against risk of electrical shock, do not put hand mixer in water or other liquid. This may cause personal injury and/or damage to the product.

- To disconnect, turn off control and unplug from outlet.
- Unplug from outlet while not in use, before putting on or taking off parts and before cleaning.

- Avoid contact with moving parts. Keep hands, hair, clothing, as well as spatulas and other utensils away from beaters during operation to reduce the risk of injury to persons and/or damage to the hand mixer.

- Do not operate hand mixer with a damaged cord or plug, after the appliance malfunction, or if it is dropped or damaged in any manner.

- Return appliance to the nearest Authorized Service Center for examination, repair or electrical or mechanical adjustment.

- Do not use with an extension cord.
- The use of attachments not recommended or sold by Sunbeam Products may cause fire, electrical shock or injury.

- Do not let cord hang over edge of table or countertop.
- Do not let cord touch hot surfaces, including a stove.
- Do not use outdoors or for commercial purposes.

- Remove beaters from hand mixer before washing them.
- Do not place hand mixer on or near a hot burner or in a heated oven.

- Do not use hand mixer unattended while it is operating.
- Close Supervision is necessary when any appliance is used by or near children.

THIS UNIT IS FOR HOUSEHOLD USE ONLY

FOR PRODUCTS PURCHASED IN THE U.S. AND CANADA ONLY

To reduce the risk of electrical shock, this appliance has a polarized plug (*one blade is wider than the other*). This plug fits a polarized outlet only one way; if the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Do not attempt to defeat this safety feature.

FOR PRODUCTS PURCHASED IN THE U.S. AND CANADA ONLY

A short power-supply cord is provided to reduce the risk resulting from becoming entangled in or tripping over a longer cord. Do not use with an extension cord.

If you have any question regarding this warranty or would like to obtain warranty service, please call 1-800-334-0759 and a convenient service center address will be provided to you.

In the U.S.A., this warranty is offered by Sunbeam Products, Inc. doing business as Jarden Consumer Solutions located in Boca Raton, Florida 33431. In Canada, this warranty is offered by Sunbeam Corporation (Canada) Limited, doing business as Jarden Consumer Solutions located at 20 B Hereford Street, Brampton, Ontario L6Y 0M1.

PLEASE DO NOT RETURN THIS PRODUCT TO ANY OF THESE ADDRESSES OR TO THE PLACE OF PURCHASE.

Some provinces, states or jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusion may not apply to you.

JCS shall not be liable for any damages of any kind resulting from the purchase, use or misuse of, or inability to use the product including incidental, special, consequential or similar damages or loss of profits, or for any breach of contract, fundamental or otherwise, or for any claim brought against purchaser by any other party.

JCS disclaims all other warranties, conditions or representations, express, implied, statutory or otherwise.

Except to the extent prohibited by applicable law, any implied warranty or condition of merchantability or fitness for a particular purpose is limited in duration to the duration of the above warranty.

What are the limits on JCS's Liability?

This warranty does not cover normal wear of parts or damage resulting from any of the following: negligent use or misuse of the product, use on improper voltage or current, use contrary to the operating instructions, disassembly, repair or alteration by anyone other than JCS or an authorized Sunbeam service center. Further, the warranty does not cover: Acts of God, such as fire, flood, hurricanes and tornadoes.

This warranty is valid for the original retail purchaser from the date of initial retail purchase and is not transferable. Keep the original sales receipt. Proof of purchase is required to obtain warranty performance. JCS dealers, service centers, or retail stores selling JCS products do not have the right to alter, modify or any way change the terms and conditions of this warranty.

Sunbeam Products, Inc. doing business as Jarden Consumer Solutions, or if in Canada, Sunbeam Corporation (Canada) Limited doing business as Jarden Consumer Solutions (collectively "JCS") warrants that for a period of one year from the date of purchase, this product will be free from defects in material and workmanship. JCS, at its option, will repair or replace this product or any component of the product found to be defective during the warranty period. Replacement will be made with a new or remanufactured product or component. If the product is no longer available, replacement may be made with a similar product of equal or greater value. This is your exclusive warranty.

1-Year Limited Warranty

LEARNING ABOUT YOUR HAND MIXER

The OSTER® Hand Mixer with Retractable Cord has been designed to assist you in preparing delicious foods.

The heel rest keeps the mixer stable when sitting upright on your counter.

HEEL REST

The BURST OF POWER® feature allows for an added boost to the selected speed setting at the press of the button. During especially heavy mixing tasks, press the button to drive the mixer will return to the original speed setting.

BURST OF POWER® FEATURE

This OSTER® Hand Mixer features a convenient beater eject button. The design allows for a smooth push of the thumb to release the beaters or dough hooks. There will not be a noticeable "click".

BEATER EJECT BUTTON

NOTE: Make sure hand mixer is unplugged before removing or inserting any attachments.

The beater design allows for thorough, fast mixing results for all types of batters. The beaters are dishwasher safe.

MAINTENANCE

Other than the recommended cleaning, no further user maintenance should be necessary. If for any reason your hand mixer should require repairs, do not try to fix it yourself. Send it to the nearest Authorized Sunbeam Appliance Service Center.

USING THE STORAGE CASE (select models only)

Place accessories and hand mixer in the storage case. Store assembled mixer and case as desired.

STORAGE

Store hand mixer and attachments in a clean, dry location such as a cabinet or shelf.

Do not use any abrasive cleaner or material to clean any part of the hand mixer, as it can harm the body of the product.

To remove stubborn spots, wipe surfaces with a piece of cloth, slightly dampened, in soapy water or a mild, non-abrasive cleaner.

The mixer and the cord can be cleaned with a damp cloth but the final clean must be with a dry cloth. DO NOT IMMERSER MIXER IN WATER WHILE CLEANING. THIS MAY CAUSE ELECTRIC SHOCK, INJURY, OR DAMAGE TO THE PRODUCT.

Before cleaning any part of the mixer, set the position selector to the "OFF" position, then unplug the cord from the outlet and eject the beaters. Be sure to dry all parts thoroughly before using them again.

CARING FOR YOUR MIXER

CARE AND CLEANING

LEARNING ABOUT YOUR HAND MIXER

Use these hooks to knead bread dough, pizza dough or other heavy batters and doughs. Use at lower speeds for best results.

DOUGH HOOKS

Note that the beaters are interchangeable but dough hooks are not. When using dough hooks, the dough hook with the collar on the stem (*see feature drawing*) fits into the larger drive hole on the mixer.

WHISK

The whisk is used to beat air into mixtures such as egg whites, yolks or cream.

STORAGE CASE

Lets you store your hand mixer and accessories conveniently together for easy access and travel.

BEATER EJECT BUTTON

NOTE: Make sure hand mixer is unplugged before removing or inserting any attachments.

The beater design allows for thorough, fast mixing results for all types of batters. The beaters are dishwasher safe.

BEATERS

English-9

English-4

SPEED	MIXING TASKS	
1	Stir	Use when stirring liquid ingredients or when mixing dry and liquid ingredients together alternately in a recipe. Use when preparing any of the ready-prepared or packaged instant puddings.
2	Mix	Use when a recipe calls for combining ingredients together. Use for quick breads or muffins that require a brisk action, just enough to blend.
3	Blend	Use when preparing cake mixes or for directions calling for medium speed. Use to cream butter and sugar together. NOTE: This is the maximum recommended speed for dough hook usage.
4-5	Beat	Use when preparing a frosting from a recipe or package. Use when whipping cream for desserts.
6-7	Whip	Use to mash potatoes to develop a light and fluffy texture. Use when whipping egg whites.
BURST OF POWER® Mixer Button		During especially heavy mixing tasks, press the Button to drive through the mixture with ease.

SPEED GUIDE FOR HAND MIXER

Speeds 1 through 7: For continuous use of stirring, beating or mixing of ingredients and thin batters. May also be useful for whipping egg whites or flour into various doughs. May be used in mixing cake dough, making sauces and even heavy doughs.

SELECTION OF SPEEDS

No matter where the position selector is situated, you can get a higher speed immediately by pressing the "Burst" button.

You can select a speed by turning the position selector to the speed required, from Speed 1 to Speed 7.

HOW TO ADJUST THE SPEED

English-5

USING YOUR HAND MIXER

Before using your mixer for the first time, wash the beaters, dough hooks and whisk. Rinse and dry.

Be sure speed control is in the "OFF" position and unplugged from an electrical outlet. Insert beaters one at a time, by placing stem end of beaters into the opening drive holes on the bottom of the mixer. Turn beater slightly and push in until beater clicks into position.

Note that the beaters are interchangeable but dough hooks are not. When using dough hooks, the dough hook with the collar on the stem (*see drawing on page 4*) fits into the large drive hole on the mixer. If dough hooks do not click into the drive holes, reverse and try again.

Plug cord into an appropriate outlet.

MIXING

To avoid splatters start unit on lowest speed and slowly increase to desired speed setting.

Slowly guide mixer around sides and through center of bowl, going in the same direction. Be careful not to overbeat the mixture. Overbeating tends to make some mixtures tough.

Whenever scraping of the bowl is required, stop the mixer and scrape sides and bottom of bowl with a rubber spatula as needed. Turn speed control to "OFF" and rest mixer on its heel rest while adding ingredients. Be sure to position beaters over mixing bowl so any drippings will fall back into mixing bowl.

When mixing is complete, set speed control to "1" and raise beaters slowly from batter to clean off clinging food. Be sure to turn unit to "OFF" before raising beaters completely out of mixing bowl.

EJECTING BEATERS, DOUGH HOOKS, OR WHISK

Be sure speed control is at the "OFF" position and cord is removed from electrical outlet. Scrape off any excess batter with a rubber spatula. Grasp the stems of the attachments with your hand and press the beater eject Button. Attachments will release into your hand.
