ATTENTION:

**Make certain to fully tighten all screws
before using chair.**

**WE SUGGEST TAPING THE WRENCH UNDER
THE SEAT FOR FUTURE USE.**

INSTRUCTIONS

- Remove all parts from the carton and separate them into part number groups as indicated in the parts list.
- To begin assembly, place the base (2) upside down and insert feet (1) into the bottom of base (2).
- Place the cushion (4) upside down on the carpet and attach the central post (3) (with front of central post facing the front of cushion) by using 3/4" screws (5). Tighten the screws.
- Place the assembled cushion on top of the base (2) and press down until fully engaged.
- Periodically (every 90 days) make sure that the screws are still fully tightened.
