Active-Sit-Stand

## Sit-to-Stand

movman is a true sit to stand solution. The center post offers lateral motion and a thirteen inch height adjustment range. This low impact, subtle, intuitive motion makes sitting and standing healthy, dynamic and fun.

## benefits

- Improves posture
- Combats static sitting and standing
- Provides relief for back pain
- Strengthens and conditions muscles of back, abdomen and legs
- Improves nourishment to the inter-vertebral discs
- Improves circulation to the lower extremities
- Assists lymphatic flow
- Provides a fun and energizing sitting experience

## adjustments:

- Pneumatic height

Weight capacity 265 lbs.

## Get moving!
