

***PLEASE READ THIS INSTRUCTION BEFORE
YOU START ASSEMBLY.**

Parts List

(A) Table frame

(B) Leg

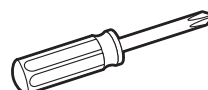

(C) screws

(D) washers

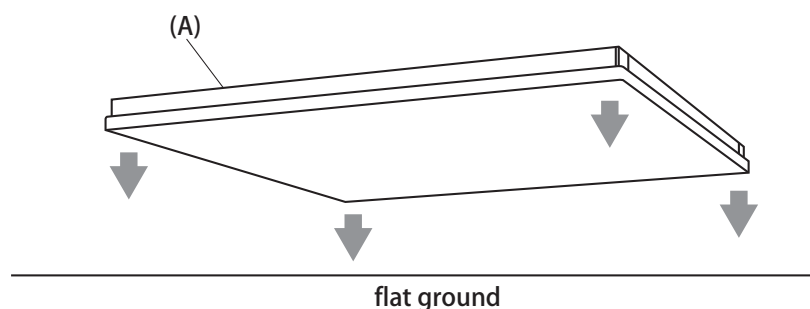

Tool needed for installation

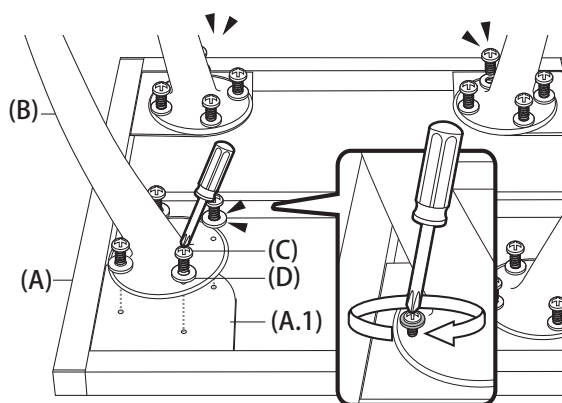

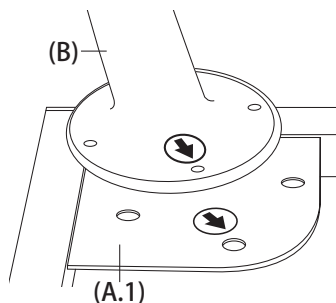

Screwdriver

- 1** Put (A) Table frame on a flat ground. Flat surface is facing down.

- 2** Put (B) Leg on (A) Table frame against (A.1) Metal Sheet. Match the screw holes of (B) and (A). MAKE SURE THE ARROW ON (A.1)&(B) ARE ALIGNED. Put in one washer and one screw for each hole, then fasten them. ***ADVICE: DON'T FASTEN THE SCREWS TOO TIGHT BEFORE ALL THE SCREWS ARE PLACED IN.***

NOTICE: MAKE SURE THE ARROW ON (A.1)&(B) ARE ALIGNED.

- 3** Turn the table frame UP-SIDE-DOWN to normal use position. Now enjoy the table.
