

How To Measure Your Ring Size

1 First, find a ring that you own that fits perfectly. It should slide off with a slight tug, but you shouldn't have to pull at it to take it off.

2 Place that ring over the circles until you find the perfect match.

Ring Sizes

The inside edge of the ring should match the inside edge of one of these circles. If your ring is between two sizes, order the larger size.

Printing Scale of Ring Sizer

1 Before printing, set the page scaling to "none" on your print dialog box.

2 When printed this should be One Inch or 30 Millimeters
