HISTORIC LIMESTONE™

Historic Limestone honors the timeless look of limestone with an urban rustic twist. The floor and mosaic assortment revives the appeal of limestone through authentic graphics shown in each piece. Paving the way for design innovation, Historic Limestone beautifully combines the look of limestone and wood. This collection also features Stepwise™ Technology allowing you to extend the visuals of stone from your indoor to outdoor spaces. Celebrate limestone's classic appearance while reaching new heights through a mix of shapes and sizes.

APPLICATIONS

	TARGET DCOF WET	SUITABLE
Dry & Level – Interior Floor	N/A	●
Wet & Level – Interior Floor	≥ 0.42	●
Shower Floors - Standard Center Drain	≥ 0.42	●*
Shower Floors - Linear Drain	≥ 0.60	●♦
Exterior Floor Applications (including patios, pool decking & other wet areas with minimal footwear)	≥ 0.60	●♦
Ramps & Inclines	≥ 0.65	
Walls/Backsplashes	N/A	●
Countertops	N/A	●
Pool Linings	N/A	●**

A DCOF value of ≥0.42 is the standard for tiles specified for level interior spaces expected to be walked upon when wet, as stated in ANSI A137.1-A326.3. For more information about DCOF and the DCOF AcuTest™, visit americanolean.com/DCOF.

APPLICATION NOTES:

Floor tile and Landmark Hex suitable for exterior applications (provided it is noted as suitable in the applications chart above) in freezing and non-freezing climates, when proper installation methods are followed. 2 x 2 mosaic suitable for exterior applications (provided it is noted as suitable in the applications chart above) in non-freezing climates, when proper installation methods are followed.

- * 2x2 Mosaic tile only.
- ** 2 x 8 Floor and 2 x 2 mosaic tile only.
- ♦ 12 x 24, 6 x 24, 2 x 8 floor tile and 2 x 2 mosaic tile only.

NOTES

Since there are variations in all fired ceramic and natural products, tile and trim supplied for your particular installation may not match samples. Final confirmation should be made from actual tiles and trim prior to installation. Manufactured in accordance with ANSI A137.1 standards.

Not for use on ramps. Water, oil, grease, improper drainage and certain footwear can create slippery conditions. Floor applications expected to be exposed to these conditions require extra caution in product selection.

For additional information refer to "Factors to Consider" at: americanolean.com/Factors.

Random visuals enhance the natural beauty of this product. To achieve optimal results, all tile should be selected from multiple cartons and shading and graphic arrangement planned prior to installation.

Special consideration needs to be given when installing tiles greater than 15 inches. Please refer to americanolean.com/LargeTiles for more information.

Special care should be taken when grouting with dark pigmented colors. A grout release is recommended to prevent finely powdered pigments from lodging in the pores of the surface. Use of a latex modified thin-set is recommended for installation.
