LINEAR CUTTING SERVICE

With Linear Express, American Olean can cut your choice of porcelain floor tile into an assortment of linear sizes for custom designs. We offer a wide variety of linear shapes, ranging from a minimum of 3" wide to a maximum of 48" long. We can accommodate straight or beveled edges to coordinate with your chosen product line. A selection of **CORE** products is available within four weeks of your order, provided that the product criteria listed below is met. Plus, any of our porcelain floor tile can be cut by special order with extended lead time through **CUSTOM**.

	CORE	CUSTOM
SIZE OPTIONS	- 6 x 24 size (cut from 12 x 24)	- Size chart shows the nominal width sizes that can be cut from each component length. - See page 6 for size chart and cost grid for each linear size.
