UPTOWN GLASS™

GLASS MOSAIC TILE

Create a Statement with Eye Catching Prints and Striking Finishes

With contemporary urban inspiration, this chic collection reflects the most current design trends. Featuring a range of beautiful solid colors as well as metallic elements sprinkled into marble visuals, Uptown Glass™ mosaics allow easy style expression for accent walls, backsplashes and floors. Also, with the addition of new technology, many of the patterns and finishes in this collection are made to withstand pool and spa chemicals, providing an excellent choice to make a splash with pool or hot tub designs.

NOTES

Not for use on ramps. Water, oil, grease, improper drainage and certain footwear can create slippery conditions. Floor applications expected to be exposed to these conditions require extra caution in product selection.

For additional information refer to "Factors to Consider" at: daltile.com/Factors.

Random visuals enhance the natural beauty of this product. To achieve optimal results, all tile should be selected from multiple cartons and shading and graphic arrangement planned prior to installation.

Since there are variations in all glass products, tile and trim supplied for your particular installation may not match samples. Final confirmation should be made from actual tiles and trim prior to installation. Manufactured in accordance with ANSI A137.2 standards.

Use of a white latex modified thin-set is recommended for installation.
