

URBAN DISTRICT BRX™

GLAZED PORCELAIN FLOOR TILE

MARAZZI 

DARE TO BE BOLD™

STONE LOOK

URBAN DISTRICT BRX™

Urban District BRX™ is influenced by the hand-crafted shapes and highly variegated color expanses of nineteenth century Chicago brick heritage. Reclaimed. Revitalized. Remarkable. This bold new take on traditional brick uses modern ceramic technology to recreate the characteristics of artisanal masonry in a slim profile with a wide range of color-blends. BRX 2"x 8" and 4"x 8" modules easily accommodate basket weave, herringbone, stack and running-bond patterns in industrial, contemporary or traditional design settings.

Cover photo features Downtown, 2 x 8 on the back wall.
Above photo features Eastside, 4 x 8 on the wall.

NOTES

Since there are variations in all fired ceramic and natural products, tile and trim supplied for your particular installation may not match samples. Final confirmation should be made from actual tiles and trim prior to installation. Manufactured in accordance with ANSI A137.1 standards.

Not for use on ramps. Water, oil, grease, improper drainage and certain footwear can create slippery conditions. Floor applications expected to be exposed to these conditions require extra caution in product selection.

For additional information refer to "Factors to Consider" at: marazziusa.com/Factors.

Random visuals enhance the natural beauty of this product. To achieve optimal results, all tile should be selected from multiple cartons and shading and graphic arrangement planned prior to installation.

Use of a latex modified thin-set is recommended for installation. For more information, visit marazziusa.com.
