WHERE NATURE
AND DESIGN ALIGN

Step into a world where the raw beauty of nature meets the precision of modern design with Purevana. A revolutionary countertop surface created with minerals, Purevana is more than just a surface; it's a statement of luxury, authenticity, and craftsmanship.

THE ESSENCE & ART OF PUREVANA:

Purevana brings you back to the roots of simplicity. Crafted from an exclusive formula of minerals, our countertops reflect the visuals from the untouched essence of the earth. We believe in celebrating the imperfections found within landscapes from which our minerals are sourced. In nature, perfection is found in imperfection. Our surfaces celebrate these natural imperfections, creating a canvas that is both dynamic and timeless. The artisanal craftsmanship behind Purevana ensures that every slab design is a work of art, bringing the serene chaos of nature into your space.

LOW CRYSTALLINE SILICA CONTENT:

FORMULA X5 < 5% Crystalline Silica FORMULA X0 ZERO Crystalline Silica

Our groundbreaking FormulaX™ Technology delivers an unparalleled product with crystalline silica content as low as zero in some formulations.

Product may contain some trace amounts of crystalline silica due to natural variations in minerals and mineral composition, but not more than 1% crystalline silica content. See Safety Data Sheet for more details.

PRODUCT INFORMATION

Finishes	Nominal Size	Thickness
Polished	136" x 79"	2 cm & 3 cm

Custom slab finishes in polished, honed, leather or lava are available by special order.

Not all colors available in alternative finishes. Please contact your local slab center for availability.

INSTALLATION

Shade Variation	
LQ04:	Low (V1)
LQ01, LQ02, LQ03, LQ05, LQ08, LQ09:	Medium (V2)
LQ11, LQ12, LQ13:	High (V3)

NOTES

Purevana Mineral Surfaces products are nonporous, reducing the potential for bacteria growth, resist common food stains and are stronger than natural granite.

Purevana Mineral Surfaces products are virtually maintenance free.

Purevana Mineral Surfaces products provide consistent color and visual movement. A wide range of color options allow for more design freedom.

Purevana Mineral Surfaces products have a durable, scratch-resistant surface.

Purevana Mineral Surfaces products are heat and scorch-resistant under normal cooking conditions (use of a trivet is recommended for longer or extreme heat exposure).

Twenty-Five year Commercial Limited Warranty.
Visit daltile.com/countertops-product-category/purevana for details.

Lifetime Residential Limited Warranty.
Visit daltile.com/countertops-product-category/purevana for details.

WARNING: This product can expose you to chemicals known to the State of California to cause cancer, including crystalline silica (airborne particles of respirable size). For more information, go to www.P65Warnings.ca.gov

For information refer to "Factors to Consider" at daltile.com/Factors.

Please review the safety data sheet for important safety information along with government regulations regarding health and safety for countertop fabrication.

Please review the safety data sheet for important safety information (https://s7d9.scene7.com/is/content/daltile/PUR_Purevana_Marble_Look_SDSpdf) along with government regulations regarding health and safety for countertop fabrication.

APPLICATIONS

	Target DCOF wet	Suitable
Dry & Level – Interior Floor	N/A	
Wet & Level – Interior Floor	≥ 0.42	
Shower Floors – Standard Center Drain	≥ 0.42	
Shower Floors – Linear Drain	≥ 0.42 (Mosaic) ≥ 0.60 (Floor)	
Exterior Floor Applications (including patios pool decking & other wet areas with minimal footwear)	≥ 0.60	
Ramps & Inclines	≥ 0.65	
Walls/Backsplashes	N/A	✓
Countertops	N/A	✓
Pool Linings	N/A	

Purevana Mineral Surfaces do not meet minimum coefficient of friction thresholds recommended by safety standard-setting organizations. Water, oil, grease, etc., create slippery conditions. Floor applications with exposure to these conditions require extra caution in product selection.

APPLICATION NOTES:

Purevana Mineral Surfaces are not suitable for exterior applications due to small resin content. The sun will etch the material.

SLAB PERFORMANCE CHARACTERISTICS

	Test Method	Average Result*
Abrasion Wear Index	ASTM C501	≥ 135
Bulk Specific Gravity	ASTM C97	≤ 2500 kg / cubic meter
Chemical Resistance	ASTM C650	Resistant to typical household cleaners
Coefficient of Thermal Expansion	ASTM C531	≤ 4.0 • 10^{-5} °C^{-1}
Flexural Strength	ASTM C880	≥ 35 MPa
Water Absorption	ASTM C97	≤ 0.10%
Scratch Resistance (Mohs Hardness)	ASTM C1895	≥ 5
Stain Resistance	ANSI Z124.6	Pass
Thermal Shock Resistance	ASTM C484	Pass – No Effect

* Custom testing results by color are available upon request.

Twenty Five Year Commercial Limited Warranty, visit daltile.com for complete warranty details.

Lifetime Residential Limited Warranty, visit daltile.com for complete warranty details.

ViaTech enables highly-realistic and complex full-body vein patterns and colors to better emulate natural stone.
