General Terms and Conditions for Purevana Mineral Surfaces® Warranties

Purevana Mineral Surfaces carries the specific warranties listed above. In addition to the requirements specified above, the following general terms and conditions also apply. If you have questions regarding this Warranty, please contact Dal-Tile.

1. This Warranty applies only to the original purchaser and first installation of the product. This Warranty applies only to 1L quality Purevana Mineral Surfaces purchases made after the edition date of these Warranty conditions for the designated time period when the product is installed and according to Dal-Tile's recommended installation instructions.
2. This product Warranty only applies to manufacturing defects inherent to the material supplied. Defect is defined as a shortfall in the product to perform to Dal-Tile specifications as disclosed in product literature, within industry allowable tolerances as set forth in standard, national industry protocols.
3. Dal-Tile will repair or replace the product, at its discretion. When replacement of the product is made, only new products from the current product range at the time the complaint is upheld will be supplied. Dal-Tile reserves the right to discontinue or modify any of its products and shall not be liable if replacement material varies in color intensity, hue, or shade in comparison to the original product. There will be no other form of compensation. Responsibility under this Warranty only applies to hidden defects. These are defects that were not visible before or during the installation of the product. Dal-Tile will not cover labor costs to replace or reinstall the Purevana Mineral Surfaces slabs. Dal-Tile can never be held liable and is not responsible for any secondary damages, incidental damages or consequential damages.
4. This Warranty does not cover damage to the product caused by installation or fabrication errors. The product must be installed following the appropriate installation instructions using approved accessories, if applicable. Installation and Fabrication defects are not covered by this Warranty.
5. All warranty claims must be reported immediately. Failure to report any Warranty claim within thirty (30) days of defect discovery will void this Warranty. All products must be inspected prior to installation. Installation of products with visual defects or nonconformities apparent prior to installation voids this Warranty.
6. Dal-Tile does not recommend its products for use on ceilings or roofs, unless specifically disclosed as being suitable for ceilings or roofs in product literature. Local building codes may dictate minimum performance specifications. Dal-Tile does not warrant product installations that violate building codes. Dal-Tile provides detailed information in its product literature regarding appropriate applications for this product. Failure to comply with recommended applications voids this warranty. Appropriate commercial applications include: dining tables, bar tops, vanities, partitions, walls, food preparation areas, serving areas, beverage station tops, and sterile prep areas. Outdoor applications are not covered under this Warranty. Warranty covers only polished, leathered, honed, lava, and caressed finishes. Please note that due to greater exposed surface area, the textured finishes will require more daily maintenance than a polish finish. This Warranty does not cover the altering of any factory applied finish.
7. This Warranty does not cover the installation of sinks nor securing mechanical fasteners directly into the material.
8. Proof of compliance with the installation and maintenance instructions recommended by Dal-Tile must be provided if a claim is filed. If installation is not performed by the end user, at least one copy of the installation and maintenance instructions and this Warranty must be provided to the end user by the installer.
9. Dal-Tile will not be liable for, and this Warranty does not apply in the event of: any failure, defect, or damage (including but not limited to crumbling, chipping, cracking, breakup or change of color) resulting from or connected with misuse, abuse, neglect, or improper handling or storage. Customer misuse including negligence, physical, or chemical abuse is not covered by this warranty.

10. This Warranty does not cover scratches. Proper care, such as using cutting boards, must be exercised as part of your care and maintenance.
11. Color, hue or shade differences resulting from material added to an existing installation at a later date and non-warranty repairs are excluded from coverage.
12. Photographic color images may not be an exact product match. Product samples are representative only and may not be an exact match to supplied materials due to variations in batch manufacturing or naturally occurring stone. Supplied materials may have slight differences in color, shade, and/or surface appearance.
13. Under no circumstances will Dal-Tile be responsible for any loss of time, inconvenience, expenses, costs or other consequential damages caused by or resulting directly or indirectly from a problem about which a claim was made.
14. Any services provided as part of this Warranty do not extend the original warranty period.
15. This express limited product Warranty excludes all labor costs. Some states do not allow the exclusion or limitation on incidental or consequential damages, so the above limitation or exclusion may not apply to you. This Warranty gives you specific legal rights and you may also have other rights which vary from state to state. If the laws of a particular state require terms other than or in addition to those contained in this Warranty, this Warranty shall be deemed modified so as to comply with the appropriate laws of such state, but only to the extent necessary to prevent the invalidity of this Warranty or any provision of this Warranty or to prevent the imposition of fines, penalties or any liability.
