

California Voluntary Carbon Market Disclosures Act Statement

The following disclosures are provided pursuant to Section 44475.2 of the California Health and Safety Code, authorized by Assembly Bill 1305 and known as the Voluntary Carbon Market Disclosures Act (“VCMDA”), for GE HealthCare Technologies Inc. (“GE HealthCare”).

The table below summarizes where relevant information can be found within GE HealthCare’s public documents. This table is intended as a navigation aid and does not seek to, by itself, satisfy VCMDA disclosure requirements. Please refer to the linked documents for complete disclosures.

Claims	Disclosure
Goal to achieve a 42% reduction in Scope 1 and 2 emissions by 2030 vs 2022 baseline	Progress toward the claims: Sustainability Report, page 41-43 Science-based targets information Emissions methodologies: GHG Emissions Accounting Methodology Third-party limited assurance: Sustainability Report, page 83
