

Resident Qualification Acknowledgment

In order to assist you with your decision on your new home, we are providing this list of the requirements we use to qualify applicants for residency in this community. Nothing contained in these requirements shall constitute a representation that all residents and occupants currently residing in our community have met or currently meet these guidelines. The types of information to be accessed: Identification, credit, public records, criminal and rental history, residency address information, employment and income verification. Additional verification may be required. Each person age 18 or older who will live in the apartment home must submit an application and satisfy these requirements. The criteria which may result in a denial (includes but is not limited to): Zero income or income lower than (2.5) times the rental rate, unsatisfactory credit, criminal, or rental history findings, exceeding the maximum number of occupants per apartment home, restricted pets, inability to meet conditional requirements of application results, providing misleading or inaccurate information, and adverse, subpar, or unverified information. Subject to applicable laws, our requirements include, but are not limited to, the following criteria:

IDENTIFICATION. Applicants must present a valid government issued photo identification for each person age 18 or older.

INCOME. 50% or more of the applicants must individually have verifiable income in an amount not less than 2.5 times the rental rate.

CREDIT HISTORY. We obtain a credit report on each applicant. Our credit reporting agency evaluates credit (which may include rent payment history) as an indicator of future rent payment performance. An unsatisfactory or insufficient finding may result in the requirement of a guarantor or denial. Applicants are responsible for ensuring their credit history is accurate. All screening subject to time limitations set forth in RCW 59.18.255

COMPREHENSIVE REUSABLE TENANT SCREENING REPORTS. This community does not accept comprehensive reusable tenant screening reports. Upon submission of the completed rental application and Resident Qualification Acknowledgment, a credit evaluation will be conducted using one of the consumer reporting agencies provided on this document.

GUARANTORS. Guarantors are required for 50%, or more, of the applicants that are conditionally accepted. Guarantors must reside and have a physical address in the United States. Guarantors are subject to the same qualification requirements as tenant applicants.

ADULT DEPENDENT. If there is a person age 18 or older who will reside in the apartment home but who will not be executing the lease documents, that person will need to qualify as an "Adult Dependent." In order to qualify someone as an Adult Dependent, you must execute the Adult Dependent Certification, and the proposed Adult Dependent must be approved through our regular criminal background check screening process. The leaseholder(s) will be responsible for ensuring that the Adult Dependent complies with all community rules and requirements in the lease documents, but the Adult Dependent will not be financially obligated to pay rent or other amounts due under the lease documents and will not be screened for income, credit or rental history.

RENTAL HISTORY. Applicants must provide satisfactory rental or homeownership history within the last 12 months. If applicant has no rental or homeownership history within the last 12 months, a guarantor will be required. If rental history is unsatisfactory, applicant will be denied.

CRIMINAL HISTORY. We obtain a criminal background check on each applicant who will reside in the apartment home. It is possible your application will be denied due to criminal convictions, depending on the nature and severity of the offense and the time passed since the conviction. We will perform an individualized assessment of any applicant with a history of criminal convictions, and will offer that applicant the opportunity to provide additional mitigating information before a final decision is made.

FALSIFICATION OF APPLICATION: Any false statements or false information included in an application may result in denial of the application.
