

Resident Qualification Acknowledgment

In order to assist you with your decision on your new home, we are providing this list of the requirements we use to qualify applicants for residency in this community. Nothing contained in these requirements shall constitute a representation that all residents and occupants currently residing in our community have met or currently meet these guidelines. The types of information to be accessed: Identification, credit, public records, criminal and rental history, residency address information, employment and income verification. Additional verification may be required. Each person age 18 or older who will live in the apartment home must submit an application and satisfy these requirements. The criteria which may result in a denial (includes but is not limited to): Zero income or income lower than (2.5) times the rental rate, unsatisfactory credit, criminal, or rental history findings, exceeding the maximum number of occupants per apartment home, restricted pets, inability to meet conditional requirements of application results, providing misleading or inaccurate information, and adverse, subpar, or unverified information. In addition, applicants and occupants must meet all of the qualification requirements of the applicable affordable housing program(s) in place at this community. Subject to applicable laws, our requirements include, but are not limited to, the following criteria:

IDENTIFICATION. Applicants must present a valid government issued photo identification card for each person age 18 or older.

INCOME. Applicants must have verifiable income that meets or exceeds 2.5 times the resident-paid portion of the rent. Gross income for the household, including unearned income of minors and Adult Dependents, will be verified and combined to determine income eligibility. Annual household income cannot exceed the maximum allowable income as determined by affordable housing program guidelines in effect for this community. The minimum income required for Section 8 voucher or certificate holders must be at least 2.5 times the resident-paid portion of the rent.

STUDENT STATUS. If required by the affordable housing program, households with part-time and/or full-time student(s) must meet applicable program exceptions in order to be considered for residency.

CREDIT HISTORY. We obtain a credit report on each applicant. Our credit reporting agency evaluates credit (which may include rent payment history) as an indicator of future rent payment performance. An unsatisfactory or insufficient finding will result in the requirement of an additional deposit, guarantor, or denial. Applicants are responsible for ensuring their credit history is accurate.

COMPREHENSIVE REUSABLE TENANT SCREENING REPORTS. This community does not accept comprehensive reusable tenant screening reports. Upon submission of the completed rental application and Resident Qualification Acknowledgment, a credit evaluation will be conducted using one of the consumer reporting agencies provided on this document.

GUARANTORS. If a guarantor is needed, he/she must meet the entire qualifying criteria as presented above. All guarantors must have a verifiable source of income in an amount not less than 5 times the rental rate.

ADULT DEPENDENT. If there is a person age 18 or older who will reside in the apartment home but who will not be executing the lease documents, that person will need to qualify as an "Adult Dependent." In order to qualify someone as an Adult Dependent, you must execute the Adult Dependent Certification, and the proposed Adult Dependent must be approved through our regular criminal background check process. The leaseholder(s) will be responsible for ensuring that the Adult Dependent complies with all community rules and requirements in the lease documents, but the Adult Dependent will not be financially obligated to pay rent or other amounts due under the lease documents.
