

No Worries Starts Here.

Lennox. All the Comforts of Home.

We believe your home is a sanctuary. A respite from the busy outside world where you can feel your most comfortable, safe and relaxed. Our dedication to making this possible has been the driving force behind every Lennox product and innovation since 1895. Premium products designed for longevity and reliability so that every corner of the home we touch improves your quality of life—day after day, for years to come.

Take a Deep Breath.

We know buying an HVAC system is a big decision. With so many choices, options and opinions, it's easy to feel overwhelmed. Lennox takes away the stress and uncertainty with reliable, high quality systems built to provide years of efficient, worry-free performance.

Enjoy the comfortable feeling that comes from knowing you chose right. Because you don't pick a Lennox and hope it lasts. You choose Lennox knowing it's made to.

No Worries. It's a Lennox.™

Comfort

With industry-leading technology and precision engineering, our heating and cooling systems create the kind of home comfort you can feel in every room and the air quality you can trust with every breath.

Quiet Operation

Our products combine advanced engineering and sound-absorbing materials to ensure smooth, quiet operation for a more peaceful home environment.

Communicating/Smart

Unlock a world of connectivity by pairing our digital equipment and sensors with a Lennox Smart Thermostat to create a fully communicating home comfort system that delivers more precise and efficient performance.

Energy Efficiency

You can count on our products to deliver remarkable efficiency, offering features like variable-capacity operation and cold climate technology to help you realize greater energy savings.

Craftsmanship

No other manufacturer can match our products for quality, durability and customer satisfaction. This includes innovations like our Quantum™ Coil that features a proprietary aluminum alloy designed to weather the harshest elements.

Dave Lennox *Signature*[®] Collection is the ultimate in creating the ideal home. From supreme efficiency to unprecedented performance, this product family delivers incomparable comfort. For those unwilling to settle for anything less than extraordinary, there is only one option. Dave Lennox *Signature* Collection.

Transcend your air.

ELITE[®] **SERIES**

Elite[®] Series takes the Lennox[®] promise of exceptional comfort and performance to the next level. This superior product family delivers remarkable efficiency. It's time to elevate your environment. It's time for Elite.

Elevate Your Air.

MERIT[®] **SERIES**

Welcome to the Lennox standard of excellence. Merit[®] Series is the introductory product line that raises the bar for heating and cooling equipment. Don't settle when it comes to the air inside your home—ask for more. Ask for Merit.

Ask More From Your Air.

The ultimate system for perfect air.

The Ultimate Comfort System™ combines the best of the Dave Lennox *Signature*® Collection to create an unprecedented whole-home comfort system that seamlessly and intelligently works together to stay finely tuned to your home and deliver consistently clean, perfect air.

Consistently Perfect

This variable-capacity system maintains your home's ideal temperature and humidity level with pinpoint precision, so the only way your air feels is how you want it to feel.

Unmatched Efficiency

This eco-friendly system is also the most efficient available, which can lower your energy bills and help you qualify for energy rebates.

Beyond Quiet

Seamlessly operates at a noise level that is, quite simply, unheard of.

Complete Control

From detecting air pollutants and customizing comfort by room to providing service reminders and alerts, the Lennox S40 Smart Thermostat not only provides the most precise and perfect air, it also gives peace of mind.

Cleaner, Healthier Air

The PureAir™ S system offers hospital-grade³ filtration featuring the Lennox Healthy Climate™ Carbon Clean 16® air filter that removes over 99% of the virus that causes COVID-19¹ from the air².

- ② Lennox Smart Zoning System
- ③ Lennox S40 Smart Thermostat
- ④ SL25KCV Air Conditioner / SL22KLV Cold Climate Heat Pump
- ⑤ SLP99V Gas Furnace / CBK48MVT Air Handler*

*SLP99V Gas Furnace pictured above.

1. Removal efficiency based on third party testing results using MS-2 bacteriophage (ATCC 15597-B1). Bacteria representative of virus-sized particles like SARS-CoV-2, the virus that causes COVID-19. November 2020. 2. When used properly with other best practices recommended by CDC and others, filtration can be part of a plan to reduce the potential for airborne transmission of COVID-19 indoors. 3. Not intended for actual hospital use. Based on Application Guidelines, Table 1, ASHRAE Application Handbook, 2011.

Discover your personal
degree of perfection.
