LENNOX

Lennox is more than HVAC. It's a promise.

We believe that the key to a healthy, comfortable home starts with the air with which we live and breathe. Our dedication to the pursuit of perfect air has been a driving force behind each and every innovation since 1895. We make the air cooler, warmer, dryer, cleaner and better with premium, award-winning systems that are exceptionally quiet and energy efficient. All brought to you by Dealers armed with the expertise and resources to serve you in the best possible way.

It's time to rethink your air.

These days, we go to all kinds of lengths to be healthy and relaxed. But what good is all that if our air isn't as clean, healthy and comfortable as it should be? Because, the fact is, we don't just breathe the air around us. We live in it.

With an innovative, efficient whole-home HVAC system from Lennox, every breath you take in delivers on our promise of perfect air.

Air is Life. Make it Perfect.™

Welcome to seamless precision.

Dave Lennox *Signature*[®] Collection is the ultimate in creating the ideal home. From supreme efficiency to unprecedented performance, this product family delivers incomparable comfort. For those unwilling to settle for anything less than extraordinary, there is only one option. Dave Lennox *Signature* Collection.

Transcend your air.

Here's how Dave Lennox *Signature*® Collection air conditioners, heat pumps, furnaces, air handlers and controls deliver the very best we have to offer.

Precision of Air/Comfort

Across the board, our air conditioners, heat pumps, and furnaces promise unsurpassed comfort. Innovative design and technology automatically adjusts outputs in tiny increments to hold temperatures exactly where you want them. And our air handlers optimize your airflow. No hot spots, no cold spots. Just the perfect feeling of comfort you're looking for in every corner of your home.

Control it all with the Lennox S40 Smart Thermostat and advanced accessories that give you easy access to comfort, convenience and energy savings.

Quiet Operation

Dave Lennox *Signature* Collection products offer SilentComfort™ technology which combines advanced engineering with sound-absorbing insulation to ensure whisper-quiet operation.

Energy Efficiency

The ultimate in energy efficiency, features like variable-capacity operation and Precise Comfort® technology can lower your energy bills year-round.

Communicating/Smart

Unlock a world of connectivity by pairing our digital equipment and sensors with a Lennox S40 Smart Thermostat to create a fully communicating home comfort system that delivers more precise and efficient performance.

Craftsmanship

The ultimate in Lennox innovation and product design, no other manufacturer can match Dave Lennox *Signature* Collection products for efficiency, comfort, precision, quiet and customer satisfaction. This includes innovations like our Quantum™ Coil, which features a proprietary aluminum alloy exclusive to Lennox and is designed to weather the harshest elements.

The ultimate system for perfect air.

The Ultimate Comfort System™ combines the best of the Dave Lennox *Signature*® Collection to create an unprecedented whole-home comfort system that seamlessly and intelligently works together to stay finely tuned to your home and deliver consistently clean, perfect air.

Consistently Perfect

This variable-capacity system maintains your home's ideal temperature and humidity level with pinpoint precision, so the only way your air feels is how you want it to feel.

Unmatched Efficiency

This eco-friendly system is also the most efficient available, which can lower your energy bills and help you qualify for energy rebates.

Beyond Quiet

Seamlessly operates at a noise level that is, quite simply, unheard of.

Complete Control

From detecting air pollutants and customizing comfort by room to providing service reminders and alerts, the Lennox S40 Smart Thermostat not only provides the most precise and perfect air, it also gives peace of mind.

Cleaner, Healthier Air

The PureAir™ S system offers hospital-grade³ filtration featuring the Lennox Healthy Climate™ Carbon Clean 16® air filter that removes over 99% of the virus that causes COVID-19¹ from the air².

*SLP99V Gas Furnace pictured above.

1. Removal efficiency based on third party testing results using MS-2 bacteriophage (ATCC 15597-B1). Bacteria representative of virus-sized particles like SARS-CoV-2, the virus that causes COVID-19. November 2020. 2. When used properly with other best practices recommended by CDC and others, filtration can be part of a plan to reduce the potential for airborne transmission of COVID-19 indoors. 3. Not intended for actual hospital use. Based on Application Guidelines, Table 1, ASHRAE Application Handbook, 2011.
