LENNOX

Lennox. All the Comforts of Home.

We believe your home is a sanctuary. A respite from the busy outside world where you can feel your most comfortable, safe, and relaxed. Our dedication to making this possible has been the driving force behind every Lennox product and innovation since 1895. Premium products designed for longevity and reliability so that every corner of the home we touch improves your quality of life—day after day, for years to come.

Take a Deep Breath.

We know buying an HVAC system is a big decision. With so many choices, options and opinions, it's easy to feel overwhelmed. Lennox takes away the stress and uncertainty with reliable, high quality systems built to provide years of efficient, worry-free performance.

Enjoy the comfortable feeling that comes from knowing you chose right. Because you don't pick a Lennox and hope it lasts. You choose Lennox knowing it's made to.

No Worries. It's a Lennox.™

Truly
intelligent
design.

MERIT[®]
SERIES

Welcome to the Lennox[®] standard of excellence. Merit[®] Series is the introductory product line that raises the bar for heating and cooling equipment. Don't settle when it comes to the air inside your home—ask for more. Ask for Merit.

Ask More from Your Air.

Here's how the Merit® Series of air conditioners, heat pumps, furnaces, air handlers and controls set the Lennox standard of excellence.

Perfect Air/Comfort

You'll never have to settle when it comes to strong performance and incredible comfort. You can be assured that the Merit Series will maintain consistent airflow throughout your home. All easily controlled with our simple, stylish suite of Lennox Smart Thermostats.

Energy Efficiency

Efficient. Merit Series products are designed to make the most of your energy and enhance your air, resulting in smart savings and minimized energy waste.

Craftsmanship

The standard of excellence, value and reliability. Meticulously manufactured to meet our stringent design and quality standards for years of trustworthy operation and peace of mind. And our innovative Quantum™ Coil—featuring a proprietary aluminum alloy exclusive to Lennox—has been rigorously tested to weather the harshest elements.

Even better together.

Get the most out of the Merit® Series, and ask more from your air, by designing your complete heating and cooling system.
