

Unmatched efficiency.
Unmatched precision.
Unmatched comfort.

Presenting the SL25XPV Heat Pump.

As part of both the Dave Lennox *Signature*® Collection and the Ultimate Comfort System™, the SL25XPV is a heat pump like no other. Utilizing Lennox TruHeat Performance, it delivers a greater amount of heat than traditional heat pumps for rich, warm comfort. It's also incredibly efficient which allows it to deliver substantial energy savings. In short, no other heat pump delivers comfort, efficiency and precision at this level.

Air is life. Make it perfect.™

The most precise and efficient heat pump available. Now featuring Lennox TruHeat Performance.

COMFORT

Truer, Richer Warmth

Lennox TruHeat Performance delivers a greater amount of heat compared to traditional heat pumps, resulting in a feeling similar to the rich, warm comfort of a gas furnace—even during the coldest outdoor temperatures.

EFFICIENCY

Industry-leading 23.00 SEER2 and 10.30 HSPF2

58% saved per year compared to lower SEER systems**

Recognized as the Most Efficient of ENERGY STAR® in 2023*

What is SEER2 and HSPF2?

Seasonal Energy Efficiency Ratio and Heating Seasonal Performance Factor determine your heat pump's efficiency. The higher the rating, the more energy-efficient it is.

PRECISE CONTROL

Precision Makes Perfect

Precise Comfort® technology finely-tunes and adjusts heating and cooling output in tiny increments, perfectly matching your energy use with your comfort, making it the highest-efficiency, variable-capacity heat pump available.

VARIABLE CAPACITY / SL25XPV

Unit runs at low most of the time, using only the amount of energy needed to meet comfort needs.

SINGLE STAGE CAPACITY / OTHER HEAT PUMPS

Unit is either on or off, creating wide temperature swings.

COMMUNICATING

Smarter Together

Unlock a world of connectivity by pairing this unit with the Lennox S40 Smart Thermostat. It's the command center for a fully communicating home comfort system, with the incredible ability to monitor sensors throughout your home and in all your equipment. From detecting air pollutants and customizing comfort by room to providing maintenance and service reminders, it will even automatically alert you if your system goes out of tune and allow you to remotely share diagnostics with your local Lennox dealer.

MADE TO LAST

Our Uncontested Quantum™ Coil

With years of rigorous testing under the most extreme conditions, our Quantum Coil—featuring a proprietary aluminum alloy exclusive to Lennox—is designed to weather the harshest elements.

BEYOND QUIET

55 db

Equivalent to a microwave

*The SL25XPV meets Energy Star 6.0 Cold Climate Heat Pump standards.
