Lennox PureAir™ S
Air Purification System

INSTALLATION INSTRUCTIONS ADDENDUM FOR
MODELS PCO3S-14-16, PCO3S-16-16 AND PCO3S-20-16

Attention

Do not connect low voltage wiring to the PureAir S (PCO3S) until you confirm the S30 thermostat and smart hub control have software version 03.40.xxx or higher.

To check for proper S30/Smart Hub software version or update the S30/Smart Hub software to version 03.40.xxx, follow the check for update procedures outlined in the Installation and Setup Guide or Service and Application Note ACC-18-05.
