Congratulations on your purchase of Lennox equipment. Please take a moment to read this document for important information about your Extended Limited Warranty and registering your equipment. By registering, you are reconfirming your agreement to the terms of the Basic Limited Warranty, as incorporated into this Extended Limited Warranty, including those pertaining to Dispute Resolution.

Lennox Industries Inc. (Lennox) provides certain components in its Lennox branded boilers, with a basic five-year limited parts warranty, and an extended limited parts warranty is available for certain components. This extended limited warranty is intended to supplement the basic five-year limited parts warranty with an additional five (5) years of limited warranty coverage; therefore, providing a total of ten (10) years of limited warranty coverage for applicable components. The extended limited warranty requires on-line registration. Other requirements apply, in addition to the requirements and exclusions set forth in the basic warranty. This extended limited warranty covers eligible units and components only and does not include labor.

COVERED EQUIPMENT

The Lennox extended limited warranty is being offered for applicable components in select Lennox branded boilers.

EQUIPMENT ELIGIBILITY REQUIREMENTS

Covered equipment must meet the following requirements:

- 1 - The equipment must be Lennox-branded boilers.

Except as otherwise set forth in this Extended Limited Warranty, or prohibited by law, this Extended Limited Warranty is being extended to the original Owner and is not transferable.
- 7 - *To obtain this extended limited warranty for equipment purchased outside of California, Florida, Quebec (or where registration is prohibited by law), the equipment must be properly registered at www.warrantyyourway.com within 60 days after the date of installation or closing date. Proof of purchase or closing date may be required. FOR EQUIPMENT PURCHASED IN CALIFORNIA, FLORIDA, QUEBEC (OR WHERE REGISTRATION IS PROHIBITED BY LAW), REGISTRATION IS NOT REQUIRED TO OBTAIN THIS EXTENDED LIMITED WARRANTY AND THE FAILURE TO REGISTER YOUR EQUIPMENT DOES NOT (i) DIMINISH YOUR WARRANTY COVERAGE OR RIGHTS OR (ii) IMPACT THE LENGTH OF YOUR WARRANTY OR YOUR RIGHTS THEREUNDER.

TERMS AND CONDITIONS

Unless modified herein, all terms and conditions set forth in the basic warranty remain the same. These include, but are not limited to, component availability, excluded components, repairs, care of equipment, coverage, exclusions, warranty procedures and dispute resolution.

NOTE - Registering your product does not guarantee the manufacturer's warranty or extended warranty or the application thereof. If the registered product does not meet all qualifying factors and/or requirements for standard or extended warranty, or falls within one of the warranty limitations, the warranty will not apply to the equipment and/or your product regardless of the fact that the product is registered.
